

EmpowerCTA^{®+} Injector System

Caution: Federal law restricts this device to sale by or on the order of a physician.

INDICATIONS:

The EmpowerCTA^{®+} Injector System is indicated for the vascular administration of contrast and flushing media in conjunction with computed tomography (CT) scanning of the body with an optional interface to a CT scanner and an optional calculator for glomerular filtration rate (GFR).

Protocols have been independently developed and are not intended as medical advice. Bracco and Bracco Injengineering S.A. shall not be responsible for any physicians' reliance on these or any other products.

CONTRAINDICATIONS:

The EmpowerCTA^{®+} Injector System is not intended for use as a long-term infusion pump, nor is it intended to be used to inject any agents other than contrast or flushing media. Do not attempt to use the injector for any other purpose (such as chemotherapy or drug infusion). The EmpowerCTA⁺ Injector System should not be used to inject substances into nonvascular body cavities. Any applications of the EmpowerCTA⁺ Injector System other than those described in its Operator Manual are inappropriate and should not be attempted.

Not all products are available in all global markets.
