Wednesday, March 4th

11:30 – 12:30

Room E2 – ACV level 0

ESOR AIM CHINA

Advanced Imaging Mentorship Program

Moderator: Christian Loewe

Join the celebration of the launch and success of AIM China—an innovative mentorship programme connecting outstanding young radiologists from China with leading European training centers. This session marks a milestone in Sino-European collaboration and invites institutions, mentors, and future fellows to help shape the next chapter of AIM China in 2027.

11:30-11:40 **Welcome and introduction**

Christian Loewe, Vienna, Austria

Hadi Moufarrej, Milan, Italy

Andre Hartung, Erlangen, Germany

11:40-11:47 **Progress report on the first application round for 2026**
